President's Report - *Ernst Stader*

I hope everyone had a pleasant summer and that their adrenalin is flowing once again for our upcoming events.

Let's just reflect back on the past couple months of events - first of all, this year's Fiesta Week. My congratulations go out to our vice president Ed Albrecht, who was the Fiesta Week chairman for Club Loreley, as well as his entire staff. A tremendous job was done by everyone involved. Club Loreley, was once again the main attraction in Oshawa; with good food, excellent performances, and all kinds of German beer (Ed has a full report in regards of Fiesta Week).

The second event was the world cup from Germany. I was glad that we presented all the German games on our big screen. The attendance during the games was tremendous and we had a spectacular atmosphere amongst us (cont'd pg. 5).

Ich hoffe, dass wir alle erholsame Sommerferien erlebt und unsere Batterien wieder aufgeladen haben für die neuen Veranstaltungen.
Um kurz zurückzublicken auf die Veranstaltungen der letzten Monate, eine Veranstaltung stach vor allen Dingen heraus - die diesjährige "Fiesta Woche". Ich möchte hiermit meinem zweiten Vorsitzenden Edwin Albrecht (Ed war auch Leiter der Fiesta Woche) und seiner Gruppe aufs Herzlichste gratulieren für die ausgezeichnete Arbeit in dieser Woche. Klub Loreley war wieder der meistgefragte Klub in Oshawa, mit erstklassigen Vorführungen unserer Jugendtänzer, sowie deutschem Essen und natürlich jeder Menge verschiedener Sorten Bier vom Fass. (Ed hat einen kompletten Bericht über die Fiesta Woche).

Das zweite wohl große Ereignis war die Fußballweltmeisterschaft in Deutschland (Weiter auf Seite 5)

President's report cont'd:

Soccer fans came who have never even heard about Club Loreley were very impressed with our club and the service they received. My special thanks to John Uhlmann and his wife Johanna. John, our Kinorama specialist, made sure the games were shown in time. I'd also like to thank Bruno, our caretaker for setting up tables and chairs for every game, and also Wanda, who was so kind to help us out with sandwiches during the last three games. Your help was very much appreciated by members and guests in attendance. We only ended up third, but even the rest of the doubters have to admit, with the win over Portugal and third place, the German national is once again one of the best teams in the world, and a force to be reckoned with. According to the international media, Germany played the best and most entertaining soccer during the world cup. In two years time, the European Championship will take center stage, and hopefully we will see those games live in Canada. The games were also beneficial to Club Loreley in that two of the spectators became members of our club, and there were more inquiries in this regard.

Sommerfest was attended well once again, with all kinds of sunshine, good food, a shooting gallery at our shed (which was mostly occupied with the younger ones), games for the children, a big raffle with assorted prizes, and of course beer from the keg. Ed Albrecht entertained us with dance music for a couple of hours, and I'm certain everyone had a good time. Our pergola was appreciated by many of our guests - it sure makes our backyard more picturesque. Thanks to Gerda and her helpers for providing us with a wonderful afternoon again.

Now let's look forward to the upcoming events. Our biggest and most enjoyed event, the "Oktoberfest", is just around the corner. So let's roll out the barrel for the greatest event in Oshawa! This is an event where the young and old mingle and dance to 'oompa' music and enjoy German food and beer from the barrel together (cont'd)

Jedes deutsche Spiel wurde auf einer großen Leinwand im Klub direkt übertragen. Weit über hundert Besucher - und nicht nur Deutsche – sahen die Übertragungen der Spiele an. Viele hatten nicht einmal gewusst, dass so ein Klub überhaupt besteht und waren begeistert von der Gastfreundlichkeit aller Beteiligten. Ich möchte hiermit meinen Dank an Johann Uhlmann und seine Gattin Johanna für ihre Arbeit aussprechen. Johann als unser Kinovorführer hatte alles im Griff und sorgte für einen fehlerlosen Ablauf. Auch mein Dank an Bruno, unseren Hausmeister, der für alle Spiele unseren Saal in ein Kinohaus umbaute und Wanda Friedrich, die uns während der letzten Spiele mit Butterbroten und Flüssigkeiten versorgte. Eure Hilfe wurde von allen Anwesenden hoch geschätzt. Wir sind zwar nicht Weltmeister geworden, aber trotzdem sind wir stolz auf diese Mannschaft, die wahrscheinlich die besten Spiele in dieser Weltmeisterschaft bestritten hat. Jürgen Klinsmann als Coach schweißte eine Mannschaft zusammen, die uns und der restlichen Welt bewiesen hat, dass Deutschland wieder in die Spitzengruppe des Fußballs aufgestiegen ist. Auch brachte es uns zwei neue Mitglieder und mehrere Erkundigungen über Mitgliedschaft.

Sommerfest, wieder ein Erfolg, wie könnte es auch anders sein. Gerda und ihre Helfer erfreuten uns wieder mit einem Nachmittag mit Spielen für Kinder und Grosskinder, sowie ein Schiesstand der von Vielen besucht wurde. Natürlich gutes Essen von Chef Trevor und jede Menge an Getränken. Ed Albrecht mit guter Musik verschönerte den Nachmittag und nicht zu vergessen, die grosse Tombola. Unsere Pergola wurde von Vielen bestaunt und war voll besetzt, ein Prachtstück in unserem Garten.

Nun zu unseren Veranstaltungen der nächsten Monate. Die größte und wahrscheinlich am sehnlichsten erwartete Veranstaltung ist das "Oktoberfest" am 30. September im Klub Loreley. Mittlerweile ist dieses zum Fest Nummer 1 in Oshawa geworden. Ein Fest, das von Jung und Alt gefeiert wird, mit einer erstklassigen Oktoberfestkapelle, ausgesuchtem deutschen Essen, (weiter)

This is not all, our very own Youth Dancers will show us how to dance the schuhplattler and polka, and there will also be a big Tombola with excellent prizes for everyone. The admission is only $10.00 for all, tickets only at the door. So remember, September 29th - Oktoberfest at Club Loreley (see the flyer).

Also worthwhile to mention in case our clubpaper should not be out in time, for the first time after many years, a "Schlachtfest" (Chef's special Feast) at club loreley. On that evening we will introduce you to a brand new band, " Spice of Life", a band which was recommended to me by other well known bands in Ontario. Tickets for that event are only in advance, or by phone with the correct amount send to club loreley attn. Gerda Koepp – 905-263-2745 – see the flyer.

When you think everything was under control, alteration and repairs are done, all of a sudden you are faced with other problems. It seems to be a never ending task. Fortunately, our maintenance crew were able to look after it without any 3rd party help; that will help reduce the cost. The cooler in bar #1 had to be replaced, and this was done through Coca Cola without any cost to club loreley. Tiles in the kitchen area, front door, and hallway were replaced, due to wear and broken tiles. Also the core in kitchen's hot water tank had to be replaced. So kitchen, and bar #1 seem to be in perfect working order, and personnel should be satisfied with improvement and changes. Again, it was a pleasure to work with Joe Friedrich, Dieter Keuthen, and Jakob Fischer. Then another set back, the air conditioner in the Member's Lounge broke down and was not repairable, so we had to order a new one. Herb Albrecht, our director for house and property never wasted any time, and got in touch with Joe Klemencic who installed the new air conditioner.

As mentioned in our last edition, if donations towards our Pergola continue, we will announce those names in the next newspaper. The board of directors would like to thank Willi & Renate Schmahl for their generous donation, (cont'd)

wie Schweinshaxe, Sauerkraut, Schnitzel und Hähnchen und - nicht zu vergessen - deutschem Bier vom Fass. Ganz zu schweigen von der riesigen Verlosung, auf die schon jetzt alle ungeduldig warten. Dies alles für einen Eintritt von $10.00 an der Abendkasse - ein Fest, auf das wir uns alle freuen.

Auch wäre es heute schon angebracht, auf eine spätere Veranstaltung hinzuweisen, für den Fall dass die Zeitung nicht pünktlich erscheint. Seit langer Zeit wird erstmals wieder ein "Schlachtfest" im Klub Loreley stattfinden. Eine neue Kapelle " Spice of Life " wird für Tanzmusik sorgen. Wie mir versichert wurde, handelt es sich um eine hervorragende Kapelle. Karten für die Veranstaltung am 4. November nur im Vorverkauf, oder telefonisch bei Gerda Koepp – 905-263-2745 mit der nötigen Geldanweisung. (mehr unter Reklame)

Eine Information für alle Skatspieler: Der Preisskat findet am 16. September um Punkt 11Uhr statt. Ich hoffe, dass sich alle Skatspieler eintragen, damit wir ein anständiges Turnier auf die Beine bringen. Es gelten dieselben Regeln wie beim letzten Mal.

Nun, wenn wir dachten, alles wäre unter Kontrolle, Reparaturen und Erneuerungen in unserem Klubhaus seien erledigt, falsch spekuliert. Neue Probleme sind aufgetaucht, aber glücklicherweise konnte alles von uns selbst erledigt werden ohne Hilfe von auswärts, das spart natürlich Kosten. Eine neue Kühlanlage für Bar 1 musste eingebaut werden; diese wurde von Coca Cola kostenlos geliefert. Dann musste der Fußboden in Küche, Eingang und Vorhalle mit neuen Fliesen ausgebessert werden. Auch der Heißwassersieder im Warmhaltetank der Vorküche musste ersetzt werden. Dann wieder ein Knall, die Kühlanlage im Mitgliedsraum versagte ihren Dienst und das gerade bei der Hitze. Da sie nicht repariert werden konnte, musste eine neue Anlage herbei. Herb Albrecht setzte alle Hebel in Bewegung, damit es so schnell wie möglich erledigt wurde, die Firma Klemencic übernahm den Auftrag. Wie Sie sehen gibt es immer etwas Neues, (weiter)

and also Peter & Gertrud Stenz (for the second time) The Pergola by the way, is very much appreciated by everyone.

On a sad note, we have lost two of our members due to illness, one, a former member Ralph Donath who passed away. Ralph and his deceased wife Inge were members for a long time, he belonged to many active groups, and was one of the originals, the first music band of club loreley, the Kakadus. Our condolences to the relatives and friends.

Another longtime member, Trudy Wannack after a lenghty illness has passed away. She will be very much missed by her Husband Gerhard, her children, and grandchildren. The board of directors extends our condolences to their family and relatives.

Lets hope everyone will enjoy the rest of the summertime, stay healthy, and we will see you at our next events.

All the best,

Ernst Stader

aber um alles in bester Ordnung zu erhalten (d.h. den gesetzlichen Vorschriften entsprechend) müssen solche Arbeiten verrichtet werden. Es war wieder eine Freude, mit Leuten wie Joe Friedrich, Dieter Keuthen und Jakob Fischer zu arbeiten.

Wie schon in der letzten Ausgabe erwähnt, sollten noch Spenden für die Pergola eintreffen, werden diese Namen in der nächsten Zeitung erwähnt. Der Vorstand bedankt sich für die grosszügigen Spenden bei Willi und Renate Schmahl, sowie zum zweitenmal bei Peter und Gertrud Stenz.

Es gibt auch wieder traurige Mitteilungen; ein früheres Mitglied, Ralph Donath, verstarb nach langer Krankheit. Ralph und seine verstorbene Frau Inge waren für lange Zeit Mitglied des Klubs; er war sehr aktiv und gehörte mehren Untergruppen an. Auch war Ralph einer der Musikanten der "Kakadus" die damals als erste Hauskapelle des Klubs für stimmige Musik sorgten. Unser Beileid an alle Verwandten und Bekannten.
Auch unser Beileid an Familie Gerhard Wannack für den Verlust der Gattin, Mutter und Großmutter. Als langjähriges Mitglied wird Trudy von allen vermisst.

Ich hoffe weiterhin auf gute Beteiligung aller Mitglieder und wünsche allen Gesundheit und viel Spaß in ihrer Freizeit.

Bis zur nächsten Ausgabe,

Ernst Stader

Heimatsanger Report - *Christel Petrowski*

Summer is almost over and what an incredible summer we had so far. Temperatures rose way up in the +30 degree Celsius, and with the high humidity it often felt like +40C or even hotter. With autumn not too far away, many of us will definitely enjoy this lovely season to come. Weeks of cooler temperatures with nature's eye-catching colour display will make up for the long dark winter days to come.

Not much happened during the summer weeks, most of us took time off during summer. But there are always a few of us who are loyal all year around and show up for practice summer and winter, rain or shine!

Our picnic was held at our club's premises and I must say it again, "our club is the perfect place for such an occasion". The garden, the trees and the newly added pergola gave those who sought shade the added protection from the sun. We couldn't have asked for better weather it was sunny, the sky was blue and there wasn't a single cloud in sight.
The mood was terrific. The food like always was outstanding, thanks to all the Heimatsänger who came up with a variety of tasty salads, cheese, cold cuts and fruit platters. And for those with a sweet tooth we had all kinds of cakes, snacks and soft drinks ready for their delight. For those who preferred the stronger kind of drinks, they too could quench their thirst at the bar with beer or what ever their desire was.

Here to all the women who prepared the salads, baked cakes, set up tables, did the shopping and what not, as well to all the guys who did a great job barbecuing," thanks for everything"!

We also thank John and Johanna Uhlmann for their entertainment at our picnic. We're glad you could make it. You're both always welcome by us!

The following people are thanked for their donations during the last 12 months, Gerti Keller, Johanna & John Uhlmann, Kurt & Lisa Wagner and Margot Turnbull.

Since this is a short report there is some room for some extras.
I found out some very interesting facts about the "Siebenbürger Sachsen". If you're interested in these facts please read the following article, "**Did you know** **"?**

Thank You Note:

We like to thank all our friends who reached out in a time of great sorrow at the loss of our dear sister and sister in-law who passed away on August 1st 2006.

A special "Thank You", goes to Gitta, Margo, Gertrud and Peter for their visits, cards and flowers. You kindness and support will always be remembered.

Thanks again,

Heinz and Christel Petrowski

Did you know?

The naming Siebenbuerger Sachsen is most likely a language error that has occurred by a wrong interpretation either of the word" Sassen" which means simply," ancestor" or it could have been the word "Saxones"that was wrongly translated. Saxones is the Latin word for settlers.

Historian researched and found not one single Sachse under all the settlers who settle down in Siebenbürgen. As you can see these words all sound so very similar and it was easy to make this mistake!

An other similar sounding word is the Hungarian word for Sachse (szász,spoken . ßaaß).:
for a German speaking minority in Hungary these people are known and referred to as Swabians. Mind you most of them actually came from the Bavarian speaking regions and speak a Bavarian dialect. But the very first settlers came from the region around Ulm, these people are the true Swabians.

Reason for emigrating.
The settlers living conditions in their own homeland was not the best. There wasn't much land and food was scanty. In Siebenbürgen there was plenty of land available just waiting to be cultivated. At that particular time the economic green revolution (Dreifelderwirtschaft) was flourishing, food was in abundance and was sold as far as Western Europe and Asia. Exploration of natural resources also began.

Hungarian Székely are members of the people inhabiting the upper valleys of the Mures and Olt rivers in what was eastern Transylvania and is now Romania. They were estimated to numbers of about 860,000 in the 1970s and are officially recognized as a distinct minority group by the Romanian government. Their origin has been much debated. According to their own tradition, repeated in Procopius' *De bello Gothico,* they were descended from Attila's Huns. It is, however, now generally accepted that they are true Hungarians, or Magyars (or the descendants of a Magyarized Turki people), translated it means nothing else as, there to guard the frontier, or "The Frontier Guard".

Interesting isn't it? That's it for today. Until my next report stay healthy, stay save and don't forget to smile.

Loreley Singer's Report - *Helga Gausrab*

This time I don't have not much to tell you...the summer days just fly by too fast. In any case, the Loreley Singers had their annual picnic in July on our club grounds, and from what I hear, everyone had a wonderful time!!!

For the Sommerfest in August, Joe and I were not fast enough. We read in the "Nachrichten" that there was "Dance Music" from 6 to 8 p.m. So we showed up around 6.30 p.m and found no food left, no people, and no dance!! Oh well, our fault; we should not have slept all afternoon.

Anyways, on a more personal note - Joe and I drove all of July around the Maritimes and Newfoundland! Via Quebec mind you, but that was ok too. The trip took us to a most wondrous part of our adopted country Canada. What scenery, what people, what an experience!! Newfoundland alone could hold your interest for a long time. It is very appropriately named "The Rock".

Rocks, windswept Boreal forests, waterlogged inlets, fjords with sweet water, and a place called "Table-lands" where time is no object. Some million years ago the North American and the African Continents shifted here under water and one can still see how they were connected (above water now), simply mind boggling!!!! And all the moose!!! Driving into the "Gros Morne National Park" warnings are posted all over, that there were 16 accidents this year alone between moose and cars. Well, we were not about to be the 17th accident!! And so it was; only once did we see two of these enormous beasts drinking at a lake - what a sight that was!!! Of course, we also went "whale watching". Again, I can only say "WOW"! What a sight it is watching these graceful giants playing in the ocean. And did they ever put on a show for us. We were very lucky to be able to see that. These whales do not do that very often.

Well, not only Newfoundland had all these wonders to offer. Prince Edward Island with all that red sand, rolling hills, good tasting potatoes, fish to eat en gros', beautiful beaches, and of course "Anne of Green Gables"! God's Country!

Nova Scotia has all of these things to offer too, and more. And than there is Digby, Nova Scotia, the "Scallop Capital of the World", and Monika Treleaven. Monika sends her best greetings to all the singers. She was the President of the "Edelweiß Choir" in Toronto many years ago. And I am sure, that many of you do remember her. Monika and her Husband Rick are the owners of a motel in Digby called the "Coastal Inn Kingfisher". So, if one of you ever finds themselves in this corner of the world, I can promise you a very warm and hearty welcome from Monika and her Husband!! - That's for sure (and I had the "best" Scallop Dinner in their Restaurant!!)

New Bruinswick was good to drive through. And again, the scenery was breathtaking!! We found the nicest people everywhere!! We even stayed at a B & B where the hostess was from Oshawa! Her mother cooked for Sam McLaughlin, she had the run of the Mansion, and old Sam would bring her to school!! How is that for an encounter?

Anyways, I don't want to bore you all. I just thought, I'd share a little bit of our wonderful trip with you. For the next report I'll know more again about our "Loreley Singers".

As you know, we start singing again on the 11th of September, from 1:00 to 3.30 pm. Hope to see You all at our practice again.

Take care, do not stop with your singing and keep as healthy as possible.

Helga Gausrab

PS: und hier fand ich noch eine kleine nette Sache im Kalender vom 10. August 2005.

"Hätten Sie es gewußt??"

Messer, Gabel und Löffel sind bei uns bei der Nahrungsaufnahme vertraute Hilfsmittel. Benutzt wird das Trio aber längst nicht überall. In Thailand etwa fehlt das Messer, die Portionen kommen bereits mundgerecht auf den Tisch. Engländer und Amerikaner benutzen zwar ein Messer, sie legen es aber nach Gebrauch für den Rest der Mahlzeit auf die Seite. Chinesen essen bekanntlich mit Stäbchen und in Indien genügen fünf Finger einer Hand.

Survived by Peter, Holger and other family in Germany, and Dieter, Esther, Dominique, Eric of Oshawa.

Vice President's Report - *Ed Albrecht*

Another Fiesta Week is behind us, and what a week we had. The food was great, the shows by the Loreley Youth Dancers and other guests were sensational. They had a wonderful variety of dancers from various dance groups throughout the week. The Loreley Singers and Heimat Singers performed as well. Great job to everyone involved. We need to remember that it is because of our dancers and our food that we have such a great turnout from the community.

A big thank you also goes out to all of the Active Groups that helped with clearing tables and cleaning up. Also a special thank you to Elizabeth, Simon, Johann and Johanna Uhlmann and Helmut and Urd Grander for selling the passports.

This year we were again awarded 3 trophies from the Folk Arts Council for our float. I would like to take this opportunity to thank everyone that spent many long hours building the float and assisted in the set-up of our float for the Parade. Brian Dimock, Eric Burghardt, Frank Burghardt, Ghous Siddiqui, Joel Mountney, Elizabeth Kiessling and Simon, Heinz Albrecht, and all of their respective family members that helped out.

I would again also like to thank Johann Torok for the use of his barn and Marty Preston for the use of his truck.

Rifle Club Report - *Peter Biller*

It's hard to believe but summer has come and gone and I hope yours was an enjoyable one.

On July 29th we had our Annual Rifle Picnic at the Club. Although the weather wasn't the greatest, a good time was still had by all. On behalf of all the members and myself I would like to thank Ossi and Maria Spooner for once again supplying the meat for our barbecue. There are others that need to be thanked but the list is too long so a big thank you to all the ladies that supplied the salads, cakes and coffee. On that rainy afternoon we gave out our trophies to all the winners. Bernd VomDorff took home the regular shooting trophy and Rolf Rocker the senior. Peter Biller won the cup for air rifle and Jokob Fischer won the Wanderpokal senior cup. In return for their trophies they donated funds towards our afternoon refreshments. With summer being over this means our shooting season will begin soon. The first day of shooting is Thursday, September 7th.

Sunday, September 10th is our general meeting at the club; please ensure that you attend. The main topic of discussion will be our insurance which is mandatory and will cost the group approximately $800. I strongly recommend that all active and social members attend this meeting in order to give their opinion on this and other topics. Please mark this date on your calendars.

See you on Sept 10th,

Peter Biller

Top 10 German 'Must See' Destinations

Augsburg - Take a drive to Augsburg located on the Romantic Road (a scenic driving route). Augsburg was founded by Roman legions: The town name comes from the Emperor Augustus and merits a one-day visit at least. Among the interesting sights are the unusual Dom (cathedral); St. Anne's Church, where Martin Luther took refuge; the Romisches Museum (housed in a baroque church); and the shining Renaissance Golden Room in the Rathaus (Town Hall). Be sure to see the Fuggerei, the world's first social housing project for the poor. (The rent is the same as it was when it was founded in 1519.)

Ulm - A bit to the west of Augsburg and worth a look is the city of Ulm, which features a Gothic church with one of the tallest spires in the world (525 ft/160 m) - the view from the top is worth the exhausting climb. Some of the medieval city walls remain, and there's a nice town hall with an astronomical clock that dates from 1520. Take the time to walk through the Fisherman's Quarter to see half-timbered houses. Ulm is on the Danube and is a pleasant place to spend a few hours. A monument across the street from the main train station marks the location where Albert Einstein was born. 30 mi/50 km northwest of Munich.

Berlin - Visit spectacular Berlin! Of strategic importance since it first straddled the Spree River in the 13th century, Berlin offers a veritable mother-lode for lovers of art, architecture and artefacts. Its great clusters of museums will keep the most dedicated culture addict happy and there's literally so much to see and do, that you could concentrate on this city alone for a visit.

Frankfurt - Don't miss Frankfurt. Often seen only as a transit hub or a business centre, it's actually got lots more to offer. It boasts Germany's most spectacular skyline, mirrored in the Main River, and Europe's tallest office building. It's also the country's most international town; more than a quarter of its citizens are foreign. Most of its obvious attractions are located around the city centre. Tip: Invest in a 'Museumsufer' ticket (available at museums) on arrival and spend a couple of days cruising Frankfurt's galleries and museums at a fraction of their individual prices.

Füssen - A place of castles is a very interesting spot to visit. Famous for its trio of Ludwig II castles, its compact centre, tangle of lanes, historical buildings; (check out the Hohe Schloss) offer much for the traveller. There are excellent views from the top of Tegelbergbahn, reached by cable car, and nearby are the Bavarian Alps. Ludwig II's legacy consists of the three fantastical castles he had built near Füssen: Neuschwanstein (which inspired Disney's Sleeping Beauty Castle), Herrenchiemsee and Linderhof. If visiting with children, this is an absolute 'must see' spot not to be missed!

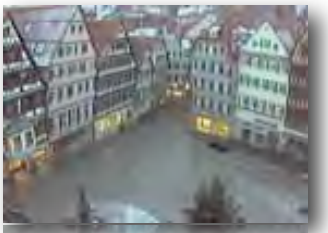
Harz Mountains - Escape the tourist crowds and climb the Harz Mountains that rise picturesquely from the North German plain. A quick train ride from the tourist centres in the south; they don't have the peaks and valleys of the Alps, but they offer a great all-seasons sports getaway without some of the Alpine tackiness and tourism.

Leipzig - Music lovers and party fans can't afford to miss at least one visit to Leipzig. Street-side cafes pour out onto the streets, and underground music clubs thud throughout the night; the town also has some of the finest classical music and opera in the country - it was once home to Bach, Wagner and Mendelssohn. Don't miss it if you are the party type!

Lübeck - Step back in time and discover romantic Lübeck, a glorious medieval town that's earned its place on UNESCO's World Heritage list. Although it's easily accessible from Hamburg, Lübeck is off the main tourist trails and can be a quiet alternative to the more spectacular attractions further south. The altstadt (old town) was heavily bombed in WWII but has been sensitively rebuilt and the town's stately charm is apparent today.

Munich - Popular Munich, rivalled only by Berlin as Germany's most popular destination, is a city that enjoys contradicting itself. Munich is a compact city, but you can easily spend several weeks exploring its museums, architectural treasures and idyllic surrounds. The Altstadt (old town) is a pleasure to stroll around, with its grand avenues and spacious squares that recall the glory of Bavaria's monarchy.

Rhine Valley - Take a side trip or spend your entire holiday in the Rhine Valley. Here are dramatic landscapes and fertile vineyards cling to steep hills. There are numerous imposing castles and dreamy wine villages to explore. Every village has at least one wine festival per year, with the most famous being the Rhine in Flames series of festivals, when water, lighting and fireworks are combined to spectacular effect. Don't miss this pleasant area, it really is a 'must see' place to visit.



Tübingen - Pop across to Tübingen. This gentle, picturesque university town, just 35km south of Stuttgart, is a place to wander winding cobbled alleys past half-timbered houses and old stone walls. From the heights of the Renaissance Hohentübingen Castle (now part of the university) there are fine views over the steep, red-tiled rooftops of the altstadt (old town). Today's students are the proud custodians of a rigorous liberal intellectual tradition, and can be seen in every cafe plotting earnestly to save the world. The market here is a treasure, filled with fruit and vegetables, and this is one town where some of this crisp and fresh produce might actually turn up on your plate. Also check out the nearby Rathaus and its delightful clock.

Ladies Auxiliary Report - *Monika Mehler*

Welcome back from what was hopefully an enjoyable summer holiday for you! We certainly had a wonderful day for our picnic luncheon in July. Thanks to all who provided the delicious food. Having this lovely area behind our clubhouse is a great bonus and we hope to repeat this again.

Now that fall is getting closer, we'll get organized for the Oktoberfest. I'm sure everyone will want to have a pretzel with their beer, and we will be there to serve you!
Our longtime secretary, Ingrid Mayer, celebrated a special birthday in July. Again, we would all like to wish you many more happy and healthy years and thank you for all the work you have done for the Ladies Auxiliary over the years.

Our next meeting will be Wed. September 6th at 11a.m. in the club lounge. If you would like to find out what we are all about, please come and join us for the meeting and a light lunch.

See you at Club Loreley!

Monika

Membership Treasurer's Report - *Brian Dimock*

Hello everyone,

Despite the fact that I officially became your new Membership Treasurer in April '06, this is my first report. I apologize for that. First off, I would like to personally thank Helga Rudolph for her dedication and commitment to this position during her multiple terms and for the guidance she and Olaf have shown me since taking over.

We currently have 258 paying members or member families. On behalf of our membership, I would like to extend a warm welcome to our newest members: Jurgen and Laudia Woerner, Rudi Schleicher, Hans Hermann Meyer and Walter and Nancy Seis. Please enjoy yourselves at the Club and hopefully you will find time to take part in many activities and even join one of our Active Groups.

To those members who have not yet paid their membership dues for 2006, please do so in the very near future to ensure your status as active members. You can either send a cheque to Club Loreley, drop your dues off at the Club (Wanda, our Bartender in the Member's Lounge, will gladly pass them on to me-thanks Wanda) or phone me at 905-723-5435 to arrange an alternative means. Thank you in advance.

I hope to be able to serve you as Membership Treasurer as well as those who have held the position before me. If you have any comments or suggestions, please call me or email me at: bd6571@rogers.com

So long for now.

Brian Dimock
